Contact Marion Leeds Carroll at cure@leedscarroll.com
to advertise in this year's program or donate to the raffle -
gain publicity for your business!

This year's concert is supported in part by a grant from the Arlington Cultural Council, a local agency
which is supported by the Massachusetts Cultural Council, a state agency.

The Accelerated Cure Project for Multiple Sclerosis is a nonprofit organization dedicated to curing MS by determining its causes. It aims to *accelerate* MS research by:

- establishing a large-scale, multidisciplinary *Repository* of blood samples and data from people with MS and matched controls.
- creating a *Cure Map* to determine and document what is and isn't known about the causes of MS.
